

Spring 2026 – Novelties and complete programme

SPIEGELBURG *Collection*

· Beautiful things for adults ·

Please have a look at our
Christmas catalogue (86610)
 for wonderful Christmas gifts!

Friends of Coppenrath and Spiegelburg!

Inspired by traditional English landscape gardening, **Marjolein Bastin** takes us this spring into a little paradise: **the Cottage Garden**. Here, the blossoms and fruits of old orchard varieties reflect the diversity of nature. Berries and cherries adorn cups and wooden bowls, while perennials and flowers are featured in the design of the notebooks. Let yourself be transported to places full of longing – to the childhood gardens of **Jane Austen** and the beloved settings of romantic Regency novels.

As you browse this catalogue, discover the rich southern French aromas of lavender and **Provençal herbs**, revel in the explosion of colours Marjolein Bastin has created for the new **"GardenLove"** collection and enjoy the vibrant blueprints that gives the **"LandLust"** collection that special something. This year, **the Barbara Behr Edition** is **"Simply Heavenly."**

Once again, let our diverse programme inspire and delight you.
 Happy browsing!
