BE THE FIRST TO SPOT THE COLOUR OR THE OBJECT!

1 PLAY

Flip a card, scan the messy room and be the first to **spot the colour OR the object that appears the most.**

During the day, use the sunlight to find the right colour. At night, without light, you can only see shapes. Now find the right object! How fast can you switch your focus?

Switch it! is a fun, fast and easy card game for the whole family.

2 ADAPT

Every new card that gets flipped, changes the conditions to find the correct solution.

WATCH OUT!

These 3 objects "switch" things around even more!
When they appear, they change the influence of the day and night cards.

BE THE FIRST TO CREATE THE PATTERN BY MATCHING THE CARDS!

1 PLAY

Try to match the playing cards to the exposed pattern on the Pattern card.
Beware! To correctly match the cards, the adjacent images must be **identical in shape OR colour OR both!**

The first player to yell "Party!" after properly matching all the cards and the pattern, wins the Pattern card.

Pattern Party is a fun, fast and tricky card game for the whole family.

2 ADAPT

Every pattern card that gets flipped, will challenge you to match different cards to find a correct solution.

STAY OPEN-MINDED!

Maybe you will need to rearrange certain already placed cards to correctly match all the cards.

BANISH ALL THE MONSTERS FROM YOUR LAND!

1 PLAY

As Guardian of the Realm, your mission is to get rid of all the monster cards from your hand whilst your rivals try to do the same!
Try to spot a correct combination of 3x the same monster, 3x the same monster colour or 3x the same background colour.
Be the first to "mash" the flexible monster and banish the monsters to an opponent's land.

**MASH THE
MONSTER!**

Monster Mash is a fun, fast and 'smashing' card game for the whole family.

2 ADAPT

The monsters will appear in a mix of colours and shapes that will scramble the senses of the most experienced Guardian.
Every new card that gets flipped, changes the conditions to spot a correct combination.

WATCH OUT!

The Multi-Colour Monsters are all 4 colours at once and will switch things up even more!

3 WIN

Be the first to get rid of all the Monster cards from your hand!

BE THE FIRST TO SPOT 'THEFT INCIDENTS' AND CATCH THE THIEVES!

1 PLAY

Thieves have secretly entered the museum and are trying to steal all the precious diamonds.
Your mission, as a security guard, is to spot all "theft incidents" and catch the thieves without triggering a false alarm!

Be the first to spot a combination of a Thief card, a Fingerprint card and a Diamond card that all 3 contain the same or a different number of elements.
Be the fastest player to grab the diamond in the middle, indicate the theft incident and collect cards!

2 THRILLING LEVELS OF PLAY

POWER OFF Level

The thieves cut the electricity! There is no light so you can ignore the colour of the cards!

POWER ON Level

All lights are ON and the security cameras are working. Special cards are ON. Maximum fun is ON!

Hands Up! is a fun, fast and tricky card game for the whole family. Can you 'steal' the victory?

2 ADAPT

Every time new cards are flipped open, the conditions to find a correct combination of cards will change.
STAY FOCUSED!! In the Power ON-level, special cards switch things up even more!

**BEWARE!
SPECIAL
CARDS**

LIGHTS OFF CARDS

These cards turn the lights off, so you can again ignore the colours of the cards to spot a theft incident.

SECURITY CAMERA CARDS

Catch a thief in the act! Be the first to grab the diamond, spot any thief card of the same colour and get both cards as a bonus.

3 WIN

To win, collect the most cards and become the best security guard!

EAN code: 5430003112212

BE THE FIRST TO FIND THE FRUIT OR MAKE A 'MOOO'-VE!

1 PLAY

Help the animals sort through the pile of fruit.

Roll the dice and flip a card open. First check the numbers die. Find the fruit that appears that number of times on the card & yell its name (Option 1).

3-DICE LEVEL

Watch out! If this fruit appears on top of the fruit die, don't yell the fruit name! Instead make the sound of the animal on the animal die (Option 2). The first player to yell the correct answer, wins the card.

Make a Mooove! is a fun, fast and "coool" card game for the whole family.

2 ADAPT

To find the correct solution, you will need to consider multiple options, make the right connections and change your perspective when needed!

4-DICE LEVEL

Use all 4 dice for maximum adaptability! In this level, if the 2 fruit dice show the same fruit, yell how many times this fruit appears on the card!

1 PLAY

Try to spot a valid combination between 1 of the 6 marine animals and its correct colour. When you do, be the first to tap the relevant animal token in the middle of the table and collect cards.

Squish It! is a fun, fast and 'smashing' card game for the whole family.

2 ADAPT

Every new card changes the possible combinations! Sometimes even 2 matches are possible after flipping just 1 card!

BEWARE OF THE SHARK!

When a shark card appears, be fast to 'squish' the shark in the middle of the table to avoid losing won cards.

EAN code: 5430003112236

SEE IT FIRST! YELL IT FIRST!

1 PLAY

Divide the 12 dice equally between the players. Roll them all simultaneously and try to be **the first to spot the shape or the colour that appears the most**. Call out your answer & flip the sand timer!

The other players now have 10 seconds to see if they can find a shape or colour that appears more. The winner of a round can take one of their dice out of the game. And so on... until a player gets rid of all their dice.

2 ADAPT

**STAY
FOCUSED!**

If you spot
2 identical shapes in the same colour,
just call out
'TAKAMACHI'
and you win the round immediately!

3 WIN

TWHiST. FLIP. REPEAT.

1 PLAY

Twhist is the new innovative trick-taking game, full of twists, which will challenge your tactical skills and your adaptability to the max.

Use your hand wisely to win tricks and collect active stars on your FLIP-cards. To win a trick, play the highest number card of the leading suit. The trick winner then selects 1 or 2 number cards and hereby determines which FLIP-cards must be flipped by them and by all their opponents.

Round winner selects

FLIP 6

All opponents get

FLIP 3

2 ADAPT

FLIP OR FLIP BACK!

BEWARE! Depending on the selected number cards, you may have to flip your active stars back to their number side. And maybe later back to the stars side, and so on!

TWHiST CARDS

Every player also has 4 Twhist-cards. Use these at the right time to outsmart your opponents!
One card to win a trick, one to steal a trick, one to start the next trick and one to pass a trick.

3 WIN

Collect the most active stars on your FLIP-cards to win the game.

MIX THE POTION, FIX THE BROOM!

1 PLAY

The witches & wizards are trying to fly to the annual Magic Convention, but their brooms have mysteriously disappeared!

Use your memory to find and collect the ingredients you need to brew magic potions to make your broom reappear piece by piece. A good potion will contain **exactly 3 ingredients**.

2 ADAPT

Be ready to adapt as things will magically change!

1 MAGIC DICE COMBINATIONS

STAY FOCUSED! Depending on the outcome of the dice, you may have to swap 2 spoons or 2 cauldrons.

2 'ALERTO EXPLOSO!'

When a potion contains too many ingredients, it will explode, unless you speak the magic spell to prevent the explosion. If you are right, you will get additional ingredients. If you are wrong, you will lose your next turn.

3 'ALERTO SERPENTO!'

Beware! In the Master level, snakes could mess up the potion and force you to adapt and find exactly 4 ingredients!

3 WIN

The first player to reveal a complete broom, wins the game and flies off to the Magic Convention!

MEMORY 'FLEX' GAME

BUILD YOUR PIRATE ARMADA!

1 PLAY

ARRR... !! Ahoy Pirates! Set sail to build your own pirate armada!

Cleverly navigate the everchanging seas, use your memory to open the right barrels and capture or steal the ships you need to build your armada of 3 similar ships.

To capture a ship, you must find the colour of its sails or its number of sails on the bottom of the barrels.

If you can, try to use the compass to move to any ship you want or the grappling hook to try to steal a ship from another pirate. But beware of the parrot and be careful with the rum!

2 ADVENTUROUS GAME LEVELS!

Once you master the '12 Barrels' Rules, feel free to add some of the 6 'Bonus Barrels', which include a spyglass, 2 bombs, a whirlpool, a mermaid and even the Kraken! More barrels, more risks!

2 ADAPT

**BEWARE OF
BLACKBEARD!**

If you flip Blackbeard, you can attack 1 specific ship of another player's armada who must protect this ship by finding its correct colour or number of sails on a barrel.

And stay focused, as each time you win a ship or flip Blackbeard, you must swap the position of 2 barrels!

3 WIN

The first pirate to build an armada of 3 ships with the same colour of sails or the same number of sails, wins the game. ARRR!

GO WITH THE FLOW & GET 4-IN-A-ROW!

1 PLAY

Orbito is a fun, fast and ‘flowing’ 2-player strategy game with very simple rules. Easy to learn, but hard to master!

In turn, add a marble to the board and try to get 4 marbles of your colour in a horizontal, vertical or diagonal row!

**PATENTED SHIFTING
GAME BOARD!**

To finish your turn, you must press the ‘Orbito’-button, which will make all marbles shift 1 position on their orbit.

2 ORBITS

Both the inner and outer orbits rotate counter-clockwise.

PATENT PENDING

2 ADAPT

DON'T ALWAYS GO WITH THE FLOW!

All marble positions on the shifting board change on each turn! Consequently, even with predefined ‘orbits’, Orbito will challenge the adaptability and ‘forward thinking’ skills of even the most experienced players.

MOVE YOUR OPPONENT'S MARBLES TOO!

To start your turn, you can even choose to move one of your opponent's marbles to an adjacent, free space before adding your own marble. This unusual game element allows you to totally disrupt your opponent's strategy!

BEWARE, IT WORKS BOTH WAYS!

3 WIN

To win the game, align 4 marbles of your colour horizontally, vertically or diagonally!

RULE THE SERENGETI!

1 PLAY

Strategeti is a fun, fast and “wild”
2-player strategy game with
simple rules.
Easy to learn, but hard to master!

Try to rule the Serengeti by cleverly
placing and moving your animals on
the 4x4 game board!

Elephants push other animals back,
maybe even into the croc infested
river or into the ravine. Lions eat
gazelles and zebras. Gazelles can
jump over other animals, even several
times in one turn! Zebras, finally,
can run freely in any direction.
Make them work together and you
will maximize your chances to win!

2 ADAPT

ONLY THE 'FLEXIQ' SURVIVE!

Every animal moves differently and has its own strengths and weaknesses! So anticipate your
opponent's moves and adapt your own strategy when needed, especially as 1 move can change everything!

2 GAME BOARDS, 2 STRATEGIES!

The double sided game board
has different entry points and
will challenge you to completely
change your strategy between
the 2 game levels.
