AVENIR GROUP Our Brands

The Avenir Group

has grown substantially since our early days back in 2015 - 10 years ago now.

Not only through increased distribution of the Avenir Craft, but also recently adding Haku Yoka, Natural Creation, The Little Prince.

AVENIR GROUP Globally

As of 2025, our brands are distributed in Over 50 Markets World-Wide, reaching multiple retail channels such as Toy, Bookstores, Hypermarkets, Webshops and more.

BRAND STORY

AVENIR® is French and
Means Future.

Children are the future of the world and
Avenir is aiming to
fulfill their wishes bringing them
the brightest possible future.

The Avenir was inspired by the famous story of

The Little Prince®

“Although we adults also come
from children, we fail to truly fully
understand the world of children.”

The world of children is pure and shining.
The founder wanted to create toys that kids would actually enjoy.
Allow children to create crafts with their own hands and

Let their precious innocent
inner world flourish.

Lacing My First Charm

“Lacing My First Charm” targeted at children ages 3 and above.

We've simplified the activity by removing the needle and replacing it with thicker lace thread, and bigger holes to make the stitching process easier for smaller hands.

The youngest can now improve their sewing and stitching skills whilst having creative fun!
