

Autumn 2026 – Novelties and complete programme

SPIEGELBURG *Collection*

· Beautiful things for adults ·

Please have a look at our
Christmas catalogue (86645)
for wonderful Christmas gifts!

DEAR FRIENDS OF COPPENRATH AND SPIEGELBURG!

Do you also enjoy going into the woods? The soft ground underfoot, the rustling of leaves, the scent of wood – all of this appeals to our senses. The stillness, the untouched nature, the sense of space – here we can breathe deeply, unwind and switch off from everyday life. **"Time to Breathe"** is the name of our new collection, inviting you to a restorative walk in the forest. Notebooks, a weekly planner and other practical desk accessories complete the range, all in an appealing design filled with leaves, blossoms and berries. The vibrant colours of late summer reappear a few pages later in **"Colours of the Seasons"**, as well as in the work of artist **"Lisa Sandner"**, whose creations are distinguished by organic forms, delicate patterns and a particular sensitivity to materiality.

Before you immerse yourselves in our exciting worlds of design and products, we would once again like to draw your attention to one of our best-known illustrators, Marjolein Bastin, and her magnificent interpretation of **"Blossom"**. We would also like to invite you to indulge in the treasures of the Orient with our **"Dreams from 1001 Nights"** collection.

And now, enjoy browsing and discovering this catalogue. For the autumn season, we wish you every success and your customers great delight in our diverse new range.
